Christmas

Carnival

Farewell ceremony

Our international contacts

Apart from this project we take part in another Comenius project, in which Spain (Barcelona), Poland (Gorlice) are our partners.

We are in contact with schools in Finland (Kajaani), and in Romania (Satu Mare).

A nighttime photograph of a large, historic church with two prominent, tall spires. The church is illuminated, and its facade features a large circular window. In the foreground, there is a busy plaza with outdoor seating areas covered by large umbrellas. People are walking around, and streetlights illuminate the scene. The sky is dark blue.

THE END
